The anti-machine Democrats are perfectly willing to make an alliance with the Union League Club, but it is well known that the Union League Club, it is well known that the Union League Club, although the leading Republican club, does not represent and is not authorized to spoak for Jake Patierson's machine. The Republicans must first get rid of Patierson, Johnnie Simpson and their chorts, the anti-machine Democrats say, before they will form any connection with the Republican organization of the county. It is not their object to organize a machine like Tammany Hall under another name, but a genuine unpartisan movement.

A conference will probably be held soon, and at the proposed meeting the plan and scope of the independent movement will be mapped out.

If the anti-Tammany factions can be united, and the Republicans can be depended upon to keep faith, that plan will be adopted.

Another proposition is to organize an The anti-machine Democrats are per

Another proposition is to organize an independent Democratic movement. A Democratic organization, it is believed, would attract the best element from Tammany Hall who are dissatisfied with boss dictation and who are only waiting for a chance to break away from Tammany Hall.

The formation of another Democratic organization would give them the opportunity they are looking for.

It is not thought probable that a bill providing for separate municipal elec-

tate and National issues were dided from local politics, the same au-orities declare, it would be easier to mbine the factions on local issues, and e overthrow of Tammany Itali would
